

Brava LED Work Light

NEW!

Full 360° rotation

Brava is our new flexible LED worklight, featuring 2 x 10W COB LED, with a massive maximum output of 1500lm. It's flexible body and handle allow it to rotate a full 360°, for total versatility and multi-purpose use.

Features include:

- 2 x powerful 10W LED
- 1500lm max output
- Built-in 5000mAh lithium battery
- Micro USB input charging
- USB output can be used as a power bank
- Working time 5-9hrs
