

BRAVA SOUND™

LED Work Light with Wireless Speaker

BRAVA SOUND™

180° Rotation

For flexibility and adjustable lighting positions

Brava Sound™ is our new flexible LED worklight, featuring 2 x 5w wireless speakers, 20w COB LED, with a massive maximum output of 1500lm. It's flexible body and handle allow it to rotate a full 180°, for great versatility and multi-purpose use. Compatible with bluetooth you can enjoy your favourite music and even use it as a powerbank to charge mobile devices.

Features include:

- 20w COB LED
- Flexible handle with 180° rotation bracket
- 1500lm max output
- 2 mode settings (high/low)
- 2x 5w built in wireless speaker
- USB output for use as a power bank
- Built-in rechargeable 8000mAh lithium battery
